## Administrative Law

### Oregon Administrative Law

This new edition is an authoritative analysis of administrative law in Oregon, with a special focus on the particular interests of the private practitioner. Learn about: local government public hearing procedures; when an agency may issue a civil penalty; the circumstances in which an agency rule or order may be judicially reviewed; which alternative processes and forums are available for resolving disputes with agencies; the considerations when representing a client in a criminal enforcement proceeding; how administrative law judges are selected; and much more.

■ 2010 1 vol. with binder [408.KT] \$204

## Alternative Dispute Resolution

### Arbitration and Mediation

This book explains the procedures available to compel—or avoid—arbitration and offers strategies for engaging in effective mediation. It also discusses the factors to consider in choosing to arbitrate or mediate, and in selecting the arbitrator or mediator for your case. The 2008 cumulative supplement includes a new chapter comparing the Oregon Uniform Arbitration Act and the Federal Arbitration Act, and analyzing which may apply in an Oregon Arbitration, and much more.

■ 1996 2 vols. with 2008 cumulative supplement and forms on CD [420.KT] \$245

■ 2008 cumulative supplement with forms on CD and extra binder [420.08KS] \$145

## Appellate Practice

### Appeal and Review: The Basics

Based on reader feedback, *Appeal and Review: The Basics* is a major departure from the previous edition. This new edition covers the fundamental procedural and substantive areas with which every appellate practitioner—at every level of experience—must be familiar. Get answers to questions like these: What are the basic elements of a good brief? What special considerations should be taken into account when appealing criminal, juvenile, or workers' compensation cases? What factors should be considered when selecting and evaluating issues to appeal? And much more.

■ 2010 1 vol. with binder [415.KB] \$198

## Business Law

### Advising Oregon Businesses Series

Covering virtually every aspect of business law, this set is Oregon's foremost resource on business law.

### Advising Oregon Businesses

#### Volumes 1 and 2

Volumes 1 and 2 provide practical advice to help you answer all your business clients' questions. Topics include: business formation; proprietorships and partnerships; incorporation; financing; corporate maintenance; liquidations, distributions, and redemptions; corporate reorganizations and their tax consequences; and much more. Topics in the supplement include: changes in U.S. patent law procedures; analysis of Subchapter S taxation changes; shareholder rights in closely held corporations; and changes to Oregon's LLC Act.

- 2001 2 vols. with 2007 supplement [410.KT] \$225
- 2007 supplement [410.07S] \$135

#### Volumes 3 and 4

Volumes 3 and 4 provide extensive coverage of some of the finer, more advanced aspects of business law. Topics include: executive compensation matters, retirement plans, company policies, insurance, business acquisitions, tax considerations, antitrust, trademarks and copyrights, patent law, trade secrets, domain names, confidentiality agreements, competitive restrictions, and franchises. The 2009 supplement includes two revised chapters, new sections on the income tax treatment of deferred compensation under nonqualified deferred compensation plans (including a discussion of IRC §409A), statutory changes affecting company policies, such as increased restrictions on the use of noncompetition agreements, and other statutory changes from past legislative sessions.

- 2003 2 vols. with 2009 supplement [411.KT] \$235
- 2009 supplement [411.09S] \$140

#### Volume 5

Most forms in volume 5 are replete with comments, citations to statutes and legal authorities, and alternative clauses to help you tailor the forms to your clients' needs. All of the forms are organized within sections, including partnerships, LLCs, corporations and corporate matters, business acquisitions, and intellectual property. Log on to [www.osbar.org](http://www.osbar.org) for a full list of forms.

- 2010 1 vol. without binder (with forms on CD) [412.KB] \$165
- 2010 1 vol. with binder and forms on CD [412.KT] \$175

#### SERIES DISCOUNT:

**Order the entire Advising Oregon Businesses series and save \$50!**

- All five volumes with forms on CD [413.KT] \$585

*Note: The series discount cannot be combined with the 15% multiple-title discount.*

## Construction Law

### Construction Law

**Revised!**

*Construction Law* is the top resource for Oregon lawyers involved in commercial, design-build, residential, or state and local government construction projects. This book provides the information needed to successfully negotiate construction contracts or handle disputes, claims, liens, bonds, and federal procurements. Includes 2011 legislation regarding: the Private Prompt Pay Act; mailings for notices of defect; licensing exemptions for construction contractors; and definitions for residential structure and small commercial structure.

- 2011 2 vols. with binders [440.KT] \$245
- 2011 2 vols. without binders [440.KB] \$215

## Contract Law

### Contract Law in Oregon

From formation to execution, this book covers all of the intricacies of Oregon contract law, including: elements of a contract, remedies for breach, obstacles to contract formation, capacity, statute of frauds, parol evidence rule and integration, third-party beneficiaries, and contract defenses. The 2008 supplement includes information on: enforceability of arbitration clauses, admissibility of extrinsic evidence to establish ambiguity in a contract term, methodology for interpreting insurance policies, and much more.

- 2003 1 vol. with 2008 supplement [450.KT] \$175
- 2008 supplement [450.08S] \$75

## Criminal Law

### Criminal Law

With nearly 1,800 pages and more than 4,000 cases, this book has expanded to three volumes of case law, statutory law (current through the 2005 and 2006 legislative sessions), rules, and practice tips, including: aftermath of *Blakely* regarding a court's ability to impose a sentence above the standard range set forth in the sentencing guidelines; aftermath of *Crawford* regarding the admissibility of testimonial hearsay; and a new chapter dealing with the exclusionary rule. The legislative supplement covers: enhancement facts and sentencing-phase jury trials; drug crimes; disorderly conduct in the first degree; appearance by simultaneous electronic transmission; conditional discharge statute; restitution statutes; dangerous-offender statutes; and definition of victim. The supplement also includes forms on CD and a revised chapter on criminal forfeiture.

- 2005 3 vols. with 2006 legislative supplement and forms on CD [460.KT] \$290
- 2006 legislative supplement with forms on CD [460.06KS] \$45

## Debtor/Creditor

### Bankruptcy Law

This book discusses the relationship between the bankruptcy court and federal district court, alternatives to filing bankruptcy, how to commence a bankruptcy case, litigation tactics, rights and remedies of secured creditors, strategies for unsecured creditors, automatic stays, and plans for reorganization. The supplement incorporates new information on the Bankruptcy Abuse Prevention and Consumer Protection Act, which opened a new era in bankruptcy law and practice.

- 1999 2 vols. with 2007 supplement and forms on CD [425.KT] \$295
- 2007 supplement with forms on CD [425.07KS] \$175

### Consumer Law in Oregon

Easily advise your clients about their available rights and remedies and provide answers to a variety of questions that will help protect their financial interests. Includes in-depth coverage of changes to the following: Bankruptcy Abuse Prevention and Consumer Protection Act of 2005; Consumer Leasing Act; Credit Repair Organizations Act; Electronic Fund Transfer Act; Equal Credit Opportunity Act; Fair and Accurate Credit Transactions Act of 2003; Fair Credit Billing Act; Fair Credit Reporting Act; Fair Debt Collection Practices Act; Odometer Act; Oregon's Lemon Law; Truth in Lending Act; Truth in Savings Act; and much more.

- 1996 2 vols. with 2005 cumulative supplement and forms on disk [445.KT] \$225
- 2005 cumulative supplement with extra binder\* and forms on disk [445.05KS] \$115

*\*Past purchasers of this book will receive one binder to add to their existing set.*

## Foreclosing Security Interests

Although emphasizing the foreclosure of interests in real property, this book also discusses the foreclosure of security interests in personal property, as well as self-help remedies under the UCC. Topics include: when the right to foreclosure arises; when to elect a different remedy; statutory procedures; mortgagee's liability for environmental problems; creating and recording trust deeds; foreclosure by advertisement and sale or by judicial proceeding; anatomy of a land sale contract; forfeiture; strict foreclosure requirements; enforceability and dischargeability of federal tax liens; resolving lien-priority disputes both judicially and administratively; who may claim a lien, and against whom; what is lienable; perfecting the lien; judicial foreclosure procedures; secured party's remedies on the debtor's default; disposing of collateral; and consequences of noncompliance with procedural requirements.

- 1997 1 vol. with 2005 cumulative supplement and forms on CD [490.KT] \$175
- 2005 cumulative supplement with forms on CD [490.05KS] \$95

## Elder Law

### Elder Law

The first comprehensive guide to elder law in Oregon is designed exclusively for attorneys whose practice involves elder law, estate planning, health law, family law, or litigation on behalf of the elderly. The guide examines key issues affecting elderly clients, including planning for incapacity, using Social Security and Medicare, making long-term care choices, dealing with nursing home mistreatment, and planning for retirement.

- 2000 1 vol. with 2005 supplement and forms on disk [467.KT] \$215
- 2005 supplement with forms on disk [467.05KS] \$65

## Environmental Law

### Environmental and Natural Resources Law

With 44 chapters of detailed information, this book and supplement present discussions on national and Oregon environmental statutes, rules, and cases, Oregon and Ninth Circuit decisions, myriad practice tips, and Web sites. Topics include: Clean Air Act; Clean Water Act; noise control; underground storage tanks; solid, hazardous, and infectious waste; asbestos; toxic torts; environmental audits; site assessments; residential real property transactions; environmental management systems; contracting environmental services; wetlands; mining; fishing; Indian law; and more. Plus, the 2006 supplement covers new topics and laws, including: Sustainability (new chapter); environmental blogs; NEPA analysis of grazing permits; indoor radon abatement and lead exposure reduction; standards for site assessments and environmental audits; and much more.

- 2002 2 vols. with 2006 supplement [468.KT] \$205
- 2006 supplement with extra binder [468.06KS] \$115

*After three years of practicing law in Oregon, the Oregon State Bar's electronic BarBooks™ subscription has been the single best addition to my tool box of legal research resources. The ability to quickly search or browse the volumes allows a more comprehensive and efficient review of material compared to using the hard copy version, and the ability to copy and paste out of the electronic version is a nice luxury and big time saver.*

— Kyle Schmid, Bend, OR

## Estate Planning & Administration

### Administering Trusts in Oregon

A pragmatic and thorough guide for lawyers, this book is an in-depth examination of the process of administering trusts, with a specific focus on Oregon law and practice. Chapters include information on: providing accountings to beneficiaries; compensation and timelines; receipts and disbursements; process for removing a trustee by court order; and how to determine a trustee's tax liability after the settlor dies. The 2007 revision also includes a chapter written by the chairs of the Oregon UTC Study Committee analyzing the new trust code and explaining each new code provision.

- 2007 1 vol. without binder (with forms on CD) [407.KB] \$165
- 2007 1 vol. with binder and forms on CD [407.KT] \$175

### Guardianships, Conservatorships, and Transfers to Minors

Now in its fifth edition, this is a comprehensive guide to protective proceedings in Oregon. Topics include: Uniform Adult Guardianship and Protective Proceedings Jurisdiction Act; access to the basic pleading, notice, objection, and hearing procedures to be used for seeking and obtaining the appointment of a fiduciary in a protective proceeding; over 50 forms, including checklists for monitoring a protective proceeding to assist the lawyer and the fiduciary; 2009 legislation that permits DHS to disclose confidential information when necessary to protect the health or safety of a person who is the subject of a protective proceeding; and much more.

- 2009 1 vol. softbound with forms on CD [492.KB] \$105

## Ethics

### The Ethical Oregon Lawyer

No matter what your practice area, you need to follow the disciplinary rules—for yourself and for your clients. With the recent change from the old DRs to the new Oregon RPCs, you may wonder if the answers you knew have changed. This revised edition is the best source for answers to your ethics questions. Plus, each chapter highlights the major differences between Oregon's Rules of Professional Conduct and the RPCs of Washington, Utah, and Idaho. Topics include: advertising and solicitation; attorney fees and fee agreements; withdrawal from employment as attorney; client confidences; economic and personal conflicts; multiple-client conflicts; Professional Liability Fund; duty to cooperate; legal ethics issues for in-house and government lawyers; ethics issues for appellate lawyers; Oregon judicial ethics; diminished-capacity clients; competence, diligence, and zealotry in client representation; conflict-waiver letters; and negotiation ethics.

- 2006 1 vol. without binder (with forms on CD) [470.KB] \$145
- 2006 1 vol. with binder and forms on CD [470.KT] \$155

### Oregon Formal Ethics Opinions

Since January 2005, Oregon lawyers have had a new ethics code, the Oregon Rules of Professional Conduct. This book is updated and revised to conform to the new Oregon RPCs. The 2007 supplement includes four new opinions as well as opinions that were approved in 2006. The 2010 supplement includes three new opinions and one revised opinion from 2005. The 2011 supplement includes five new opinions and one revised opinion, as well as the full text to the most recent updates to the Oregon Rules of Professional Conduct, and updated tables, subject index, and opinions citator.

- 2005 1 vol. with 2007 & 2010-2011 supplements [475.KT] \$165
- 2011 supplement [475.11S] \$45

## Family & Juvenile Law

### Family Law

Completely revised in 2002 and recently updated, this three-volume book is essential for Oregon lawyers who practice family law. Learn about: marriage; annulment; separation; spousal and child support; child custody; visitation; domestic violence; enforcement; modification; discovery; property division; tax aspects; procedure; adoption; health insurance and retirement; paternity; unmarried couples; prenuptial, postnuptial, and marriage settlement agreements; appeal; and mediation. The cumulative supplement includes four revised chapters and over 900 pages of updated information. Highlights from the supplement include: information on Oregon's new domestic partnership laws, analysis of Oregon's new workplace leave law, examination of changes to the presumptions of a father's paternity of a child born in wedlock, requirements that health care coverage be provided as part of child support orders or modifications, paternity presumption that determines parentage of a child born within 300 days

after a marriage is terminated, Prenuptial Agreement form, Mediation and Fee Agreement form, changes in property division after *Kunze and Kunze* and how this case changed the way a party rebuts the presumption of equal contribution, and much more.

- 2002 3 vols. with 2008 cumulative supplement and forms on CD [485.KT] \$285
- 2008 cumulative supplement with forms on CD [485.08KS] \$145

### Juvenile Law

Written by lawyers, judges, juvenile court staff, and child psychologists, *Juvenile Law* deals with issues relevant to both delinquency and dependency cases and offers a thorough examination of the Juvenile Code as well as the code's case law interpretations. In addition, 2007 legislation is incorporated, including paternity determinations by the juvenile court. And, as always, our expert authors have added many practice tips and comments that help make this book an essential tool for your practice.

- 2007 1 vol. with binder and forms on CD [501.KT] \$285

### The Rights of Children and Adolescents

This booklet is an indispensable resource for anyone who needs a quick reference regarding where children and adolescents stand under the law. It covers a broad spectrum of issues, including: custody, visitation, and child support; ownership, management, and taxation of children's property; parents' and children's liability in tort and contract; children's access to government benefits; and much more. This book is a must-have not only for Oregon lawyers who represent children but also for any lawyer who has clients with children.

- 2006 1 vol. booklet [501.06B] \$35

## General Practice

### Interpreting Oregon Law

Prepare yourself to argue for the proper interpretation of a statute, administrative rule, or constitutional provision on behalf of your client. Edited by Judge Jack Landau, an expert in statutory interpretation, this publication will guide you through the *PGE* statutory construction analysis as recently modified by *Gaines* so that you will be prepared to effectively argue your case at trial and on appeal.

- 2009 1 vol. softbound [496.09B] \$125.00

### Rights of Foreign Nationals

This handy desk reference addresses issues affecting foreign nationals living in Oregon by addressing relevant statutes, rules, and cases on matters such as domestic relations, employment, personal injuries, criminal offenses, business law, and public benefits. Highlights include: how proper service is executed on parties living outside the United States, which Oregon crimes are considered aggravated felonies that would render a client deportable, how foreign nationals are protected under federal and Oregon housing laws, the types of public benefits that are available to noncitizens, how a client's immigration status affects his or her right to relief under U.S. employment laws, how Oregon's new DMV requirements affect noncitizens trying to obtain a driver license or ID card, and much more.

- 2010 1 vol. softbound [549.10B] \$135

## Insurance Law

### Insurance

A valuable resource for lawyers and other professionals whose work involves insurance practice. Topics include: understanding and interpreting policy language termination of a policy; pretrial discovery and evidence; extracontractual claims; actions against insurers; overlapping insurance and excess liability; conflicts of interest; steps to be taken following the loss; powers of the adjuster; PIP, automobile, marine, aviation, life, and property insurance; general liability coverage; comprehensive personal liability coverage; garage liability coverage; and coverage for environmental damage claims. The 2003 cumulative supplement adds practice tips, statutes, and recent case law.

- 1996 2 vols. with 2003 cumulative supplement [495.KT] \$225

### Insurance Law: The Basics

**New!**

This Basics edition combines, updates, and condenses the most-used chapters in our previous edition of Insurance, providing you with the latest case law and statutes. It also explains the fundamental issues in insurance cases, including interpreting policy language, overlapping insurance, and actions against insurers. Highlights include: general principles for interpreting an insurance policy and how those rules apply; how an insurance contract is formed and how it is breached, rescinded, or otherwise terminated; what an insured can do when the insurance company fails to perform its duties; covers breach of the duty to defend, to settle, and to indemnify; and much more.

- 2011 1 vol. with binder [497.KB] \$135

## Labor & Employment Law

### Labor and Employment Law: Private Sector **Revised!**

A concise and informative guide to state and federal law governing the duties of employers and the rights of employees, this title offers a balanced perspective from both the employer's and employee's point of view. The 2011 revision includes two new chapters: one on enforcement of wage and hour laws, and one on the Worker Adjustment and Retraining Notification (WARN) Act, as well as completely revised and updated chapters. Topics include: analysis of the 2010 Oregon law that created employment protections for uniformed servicemembers in both the private and public sectors; updates to Oregon's employment discrimination statute; a review of the expanded employment and leave protections for families of servicemembers under the federal Family and Medical Leave Act; and much more.

- 2011 2 vols. with 1 binder (for existing set) [505.KB] \$205
- 2011 2 vols. with 2 binders [505.KT] \$220

### Labor and Employment Law: Public Sector **Revised!**

This completely revised edition illustrates the current state of the law regarding public sector labor matters and selected aspects of public employment. Highlights include: a new chapter on military leave, detailed legislative history of the Public Employee Collective Bargaining Act, and a new section analyzing disclosure of information or records regarding law enforcement and public safety employees. This book conveniently compiles the rules and laws governing Oregon's public sector employees and employers in two handy volumes.

- 2011 2 vols. with 1 binder (for existing set) [510.KB] \$195
- 2011 2 vols. with 2 binders [510.KT] \$205

## Law Practice Management

### Fee Agreement Compendium

Because most lawyer-client disputes involve fees, every Oregon lawyer can benefit from this publication. Learn how to use fee agreements to protect yourself from malpractice claims; set up trust accounts to hold your clients' payment appropriately; communicate the agreement clearly and effectively; avoid the common traps that lead to fee disputes; and more. This book includes valuable information on ethics and malpractice, trust accounts, truth-in-lending considerations, billing costs, and IOLTA. Each chapter is followed by a series of fee agreements, which are prefaced by the contributors' tips for using the agreement effectively. All 44 fee agreement forms on the companion forms on CD are written in "plain language" to make them understandable to your client.

- 2007 1 vol. softbound with forms on CD [488.KB] \$95

*"The Family Law book is a comprehensive resource for the majority of issues involved in family law. It's the first source I use in researching all issues involved in representing my clients. A wonderful initial source for research and concise summary of Oregon law."*

— Rich Potter, Eugene, OR

## Legislation

### 2009 Oregon Legislation Highlights

With summaries and effective dates of over 400 bills and broken into 23 subject areas, this edition covers a number of areas of law that underwent significant changes in 2009. These changes include landlord-tenant, consumer, debtor-creditor, business, and tax law. This book is an excellent resource for the attorney who wants to be sure they are up to date on the latest changes to Oregon law.

- 2009 1 vol. softbound [520.09B] \$85

### 2008 Oregon Legislation Highlights

From administrative law to workers' compensation, the 2008 special-session edition summarizes and explains over 40 enacted bills in 21 chapters. This edition explains: new requirements for retailers of children's products; disparate impact discrimination in residential landlord-tenant actions; regulation of foreclosure consultants and equity conveyances; regulation of mortgage brokers and mortgage bankers; release restrictions for certain methamphetamine-related offenses; new withholding amounts on certain real property conveyances; clarification of the business energy tax credit; and much more.

- 2008 1 vol. softbound [520.08B] \$30

## Real Property

### Land Use

Now completely revised, *Land Use* explains how the statewide planning goals and land use regulations may restrict your clients' uses of their property, how to work with local governments, and what to do if your client's case leads to litigation. Topics include: in-depth analysis of Ballot Measures 37 and 49; RLUIPA and FHA's effect on land use planning in Oregon; discussion of proposed 2010 amendments to LUBA rules of procedure; constitutional issues in annexations; review of tax incentives, exemptions, and credits related to land use; and citizen involvement in the land use planning process.

- 2010 2 vols. with 2 binders [515.KT] \$365
- 2010 2 vols. with 1 binder (for expansion) [515.KB] \$350

### Real Estate Series

This series covers virtually every aspect of real property law and is an essential resource.

### Documentation of Real Estate Transactions

With over 1,000 pages and seven new forms, this book contains the most essential forms and provisions, including a contract of sale, a commercial lease, a residential lease, and like-kind exchanges. Each form includes alternate provisions to help you tailor the form to suit your client's needs. And, as always, extensive practice tips from experienced lawyers add value and provide guidance in amending the forms.

- 2008 1 vol. without binder (with forms on CD) [541.KB] \$265
- 2008 1 vol. with binder and forms on CD [541.KT] \$275

## Fundamentals of Real Estate Transactions

This publication provides in-depth coverage of both residential and commercial real estate transactions—from questions to ask during the initial client interview through responsibility in closing. Topics include: the lawyer's role, ethics, financial aspects, escrows and closing, title insurance, securities issues, foreign investment in U.S. real estate, warranties, bankruptcy issues, and environmental liability. The cumulative supplement includes a chapter on water rights and transactions, new case law, a revised checklist for real estate transactions, and much more.

- 1992 1 vol. with 2001 cumulative supplement [542.KT] \$155
- 2001 cumulative supplement [542.01S] \$85

## Principles of Oregon Real Estate Law

This book explains the essential Oregon case law and statutes for real estate ownership and conveyances, including the creation and characteristics of estates in real property; concurrent ownership; the requirements of the statute of frauds and exceptions to it; the scope of marketable title; creating, enforcing and interpreting covenants, restrictions, and easements; the elements included as fixtures in conveyances; and Oregon's recording laws and priorities that arise under them. The 2003 cumulative supplement adds statutory changes through the 2003 Legislature, evolving case law, and commentary from the experts.

- 1995 1 vol. with 2003 cumulative supplement and forms on CD [543.KT] \$155
- 2003 cumulative supplement with forms on CD [543.03KS] \$85

## Real Estate Disputes

Loaded with practice tips, casenotes, and forms, this book covers everything from contract theory and actions for rescission, to establishing liens and sheriff's sales. Topics include: changes in landlord-tenant laws, purchaser's remedies for breach of land sale contract, reformation, forcible entry and detainer, ejectment, suits to quiet title, suits for partition, adverse possession and prescription, eminent domain, boundary lines, encroachments, waste and injuries to land, judgments, execution, exemptions, and seller's liability. Cumulative supplement contains new chapters on commercial lease agreements and updates each chapter through 2001 legislation.

- 1993 1 vol. with 2002 cumulative supplement and forms on CD [540.KT] \$155
- 2002 cumulative supplement with forms on CD [540.02KS] \$90

## Regulation and Taxation of Real Estate

Focusing on the various ways that the development and sale of real property is regulated in Oregon, this book goes beyond the fundamental real estate transaction and covers a variety of complex real estate development issues for you to consider when giving practical advice to your clients. Includes topics such as ad valorem taxes, dedication of private land to public use, partitions and subdivisions, real estate licenses, representing homeowner associations, mobile homes, and building codes. The 2003 cumulative supplement updates the 1995 edition through 2003 legislation, and adds new case law, OARs, practice tips, and much more. It addresses perfecting liens for special assessments, vacation proceedings as land use actions, latest changes in the building code, interpreting the ADA as it applies to public accommodations, and more.

Contains forms on disk, including forms for unstaged condominium projects and planned communities.

## Torts

### Torts

*Torts* will help you plead—or defend—your case, from black-letter law and case citations to analysis and commentary from Oregon's foremost tort law experts. Topics include: intentional torts, sexual misconduct, defamation and invasion of privacy, negligence, malpractice, products liability, toxic torts, liquor liability, commercial torts, wrongful death, claims against governmental bodies, statutory torts, statutes of limitations and repose, vicarious liability, joint tortfeasors, and indemnity and contribution. These and many more questions are answered in *Torts*. Includes 2005 legislation.

- 2006 2 vols. without binders [550.06B] \$215
- 2006 2 vols. with binders [550.KT] \$235

## Trial Practice and Litigation

### Damages

This two-volume book discusses the types of damages awards that may be available to your client, as well as the elements of various claims and the requisite pleading and proof of each. The 2007 cumulative supplement updates the 1998 revision through several legislative sessions and recent case law, and includes discussions on: recent opinions of foreseeability; most recent case law on punitive damages; discussion of when nominal damages are recoverable; changes in definition of *prevailing party* in regards to attorney fee awards; and much more.

- 1998 2 vols. with 2007 cumulative supplement [465.KT] \$255
- 2007 cumulative supplement [465.07S] \$120

### Federal Civil Litigation in Oregon

Specifically designed for attorneys practicing in the federal district court in Oregon, this book includes detailed discussions of the Federal Rules of Civil Procedure in conjunction with the local rules for Oregon and relevant case law. Highlights include: new chapters on preservation, discovery, and presentation of electronic evidence, and e-filing, FRCP amendments taking effect in December 2009, effect of the Class Action Fairness Act of 2005 on federal jurisdiction over class actions, and discussion of recent Ninth Circuit cases on general and specific jurisdiction. This revision also includes over 2,500 cases.

- 2009 2 vols. with forms on CD [487.KT] \$315

### Oregon Civil Litigation Manual

The foundation that you need for effective civil trial procedure and practice in Oregon's state courts, the 2004 revision provides the critical information you need on numerous facets of civil litigation, from practice tips and court rules to case investigation, pleadings and parties, summons, discovery, trial motions, judgments, attorney fees, and collection of judgments. The 2009 supplement includes various aspects of the Oregon eCourt program, as well as e-filing, analysis of the judgment statute updates made during recent legislative sessions, postverdict review of punitive damages awards, an updated list of Oregon attorney fee provisions, and much more.

- 2004 2 vols. with 2009 supplement and forms on CD [430.KT] \$275
- 2009 supplement with forms on CD [430.09KS] \$115

### Oregon Civil Pleading and Practice

This ultimate resource for analyzing the ORCPs has been completely revised, describes how the courts interpret the ORCPs, and includes practice tips on how to use them. It also contains over 2,500 cases, 150 forms, and brief comparisons with federal rules in key areas when decisions need to be made about taking a case to state or federal court.

- 2006 2 vols. without binders (with forms on CD) [435.KB] \$235
- 2006 2 vols. with binders and forms on CD [435.KT] \$255

### Oregon Trial Objections

Provides novice and seasoned litigators alike with a handy quick-reference tool, to be ready to state the proper objection to any questionable evidence at trial and to respond to objections raised by opposing counsel. Arranged in alphabetical order of objections, each possible objection in this new publication provides you with: the proper form of objection; the possible responses to an objection; an explanation of the objection and responses; a cross-reference to OREGON EVIDENCE, by Laird C. Kirkpatrick, for further research; the full text of the relevant Oregon Evidence Rule(s); and space for notes related to your current case or new case law.

- 2009 1 vol. spiral bound [521.09B] \$105

### Uniform Civil and Criminal Jury Instructions

These instructions are used by most judges in Oregon courts and by counsel throughout the state. *Books and forms on CD are updated annually.*
